PROFILE SUMMARY

Ambitious B. Tech EC student seeking a challenging role in the field of electronics and communication. Strong understanding of electronic circuits, microcontrollers, electronic devices, and microprocessors with excellent problem-solving skills.

EDUCATION

- SISTec 2022-2026
BACHELORS DEGREE (PERSUING)
 - Electronics and Comm. Engg.
CGPA 6.1/10
- Vidya Niketan HS School
 - CBSE | 72% 12th 2022
 - CBSE | 77% 10th 2020

CO-CURRICULAR ACTIVITIES

ELECTRO PULSE

VICE PRESIDENT

- As Vice President of Electro Pulse, I successfully organized and executed a comprehensive workshop on Internet of Things (IoT) and Peer-to-Peer Learning. This event facilitated knowledge sharing and hands-on experience among participants, fostering a collaborative learning environment.

TRAINING AND PLACEMENT DEPARTMENT

CORPORATE CREW MEMBER

- As a key member of the Corporate Crew, I played a vital role in facilitating seamless college placement drives, ensuring efficient coordination and execution. Additionally, I successfully coordinated high-profile events such as Head start and Glory, showcasing my event management and team work skills.
-
